We invite undergraduate students to submit up to one single-authored and one jointly authored abstract for consideration. Abstracts should be 350-500 words, not including references, and should be submitted through the conference website ([psuxling.weebly.com](http://psuxling.weebly.com)). Abstract submission deadline is May 15. Notification of acceptance will be sent out early July. Please visit the conference website for more information or to contact members of the PSUxLing organizing committee.
